JANO HINDI BEE FOR FIRST TIME EVER!

Hello All Hindi Lovers,
For the first time ever, US Hindi Association has organized a Hindi spelling Bee for Hindi students of USHA. Jano Hindi Bee is being organized with the sole objective of promoting Hindi language learning among USHA students, to expand their Hindi vocabulary and to encourage usage of Hindi language in their day to day life. All the students are given a list of most common Hindi words to study at the beginning of the school year. The participants are expected to learn and tell the meaning of these words to compete and win. The Semi-Finals and Final Round will be held in Milpitas, on March 24, at 2.00 pm. The Jano Hindi Bee is open to USHA students only. All parents and Hindi language lovers are welcome to attend this event and cheer all the competitors!

Sincerely,

Jano Hindi Summer Academy is specially designed for children of Grade 5 and above. The course is covered at a faster pace, considering the fast learning ability of middle school aged children, their desire to grasp, and ability to concentrate for extended period of time. The course also consists of special conversation exercises, most needed to go along with the reading and writing knowledge of the script. This way they can complete an entire Hindi language level in one summer, even a complete course, depending on the location! Please visit our website www.janohindi.org to learn more about how your middle schooler can take advantage of this opportunity.
